2. Can you tell me your age and background?

Answer: I am 36 years of age. I was raised in both Upstate New York and Myrtle Beach, South Carolina. I graduated from Myrtle Beach High School. I have worked in the household goods moving business for 15 years in Myrtle Beach, SC, Sterling VA and Duluth, GA. I have worked for Two Men and A Truck in Myrtle Beach, Suddath Van Lines in Sterling, VA, United Van Lines in Atlanta, and JK Trucking in Duluth, GA. I have been involved in all phases of the business – marketing, operations and finance.

3. Do you have any sister companies that currently operate in South Carolina and hold Certificates from the Commission.

Answer: No.

4. Have any formal complaints been filed, fines levied, or actions taken for any type of non-compliance against Applicant by any State or Federal regulatory agencies in the areas of transportation or regulated moving services?

Answer: No.

5. Why is Applicant seeking this authority?

Answer: Applicant is based in Myrtle Beach, South Carolina. We receive inquiries for our services primarily by telephone and our website (<https://carolinaelitemovers.com/>), realtors, storage facilities, word of mouth, and Angie Leads. Our advertising is entirely web-based. Because of the robust residential housing market in the Myrtle Beach area and throughout South Carolina, we constantly turn down customer requests for services between points in South Carolina.

- 6. Does Applicant hold interstate authority to transport household goods between points in the United States?**

Answer: No, but in the next 30 days the Applicant will be filing for interstate household goods authority with the United States Department of Transportation, Federal Motor Carrier Safety Administration (FMCSA).

- 7. That is all the questions that I have for you. Do you have anything else you would like to add for the record or does this conclude your testimony?**

Answer: No, this concludes my testimony.
